VERSE

In the moments when I'm weak
Fear won't go away
Fear won't go away
Anxious thoughts of the unknown
I don't have the strength
Too tired to pray

Pre-Chorus 1

While I wait can I worship
While I'm weak can I praise
Can I trust You through the darkness
Can I trust You'll make a way

CHORUS

You hem me in behind and before
Can You hold right here
Hold me right here
No safer place than wrapped in Your arms
Can You hold me right here
Hold me right here

Verse 2

In the moments when I'm weak
You're peace is all I need
Your peace still covers me
I'll remind myself
You're still in control
You are God alone

Pre-Chorus 2

While I wait I will worship
While I'm weak I will praise
I will trust You through the darkness
I will trust You'll make a way
